ONE MORE MINUTE

Well I heard that you're leavin'
Gonna leave me far behind
'Cause you've found a brand new lover
You decided that I'm not your kind.

So I pulled your name out of my Rolodex
And I tore all your pictures in two
Then I burned down the malt shop where we used to go
Just because it reminds me of you.

That's right, you ain't gonna see me cryin'
I'm glad that you found somebody new
'Cause I'd rather spend eternity eating shards of
broken glass
Than spend One More Minute with you.

I guess I might seem kind of bitter
But you've got me feelin' down in the dumps
'Cause I'm stranded all alone in the gas station of
love
And I have to use the self-service pumps.

Oh, so honey, let me help you with that suitcase
You ain't gonna break my heart in two
'Cause I'd rather get a hundred thousand papercuts on
my face
Than spend One More Minute with you.

I'd rather rip out my intestines with a fork
Than watch you going out with other men
I'd rather slam all of my fingers in a door
Again and again and again and again and again.

Can't you see what I'm trying to say *DARLIN'*?

I'd rather have all my blood sucked out by leeches
Shove an ice-pick under a toenail or two
I'd rather dive into a swimming pool filled with double
edged razor blades
Than spend One More Minute with you.

Yes, I'd rather jump naked on huge pile of thumbtacks
Stick my nostrils together with Crazy Glue
I'd rather clean all the bathrooms in Grand Central
Station with my tongue
Than spend One More Minute with you.

I'd rather rip my heart right out of my ribcage with my
bare hands and then throw it on the floor and stomp
on it 'til I die (gasp)
Than spend One More Minute...with you.
